Subject: Combined – Cadet and Youth European Championships

Dear Presidents of the National Federations,

With my best regards.

According to the email received yesterday from the FIRS President, Hn. Sabatino Aracu, in response to the letter sent by CERS on November 9, 2015, regarding the above mentioned subject, I note with satisfaction that it was granted total freedom to the CERS to decide whether, or not, to continue with Combined in the categories of Youth and Cadets.

Therefore, and in the exercise of autonomy, I inform you that I have decided to keep the Combined European Championships in Youth and Cadets in Artistic Skating discipline.

Yours sincerely.

Fernando Claro
President
